MariaDB 10.6 (x64) Setup

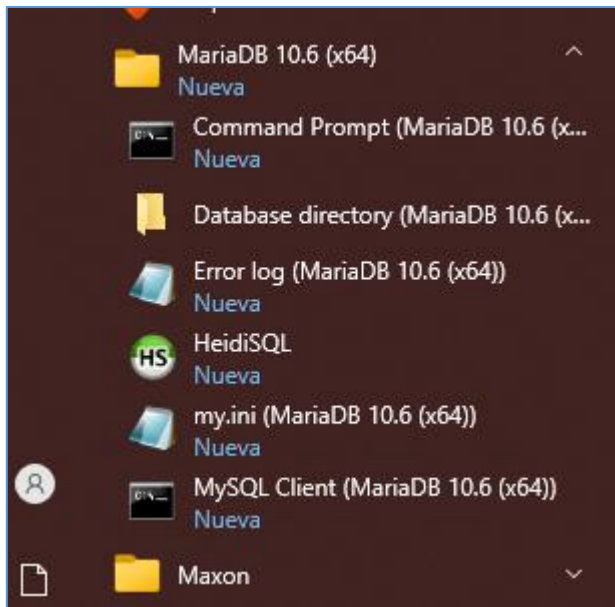

Ready to install MariaDB 10.6 (x64)

Click Install to begin the installation. Click Back to review or change any of your installation settings. Click Cancel to exit the wizard.

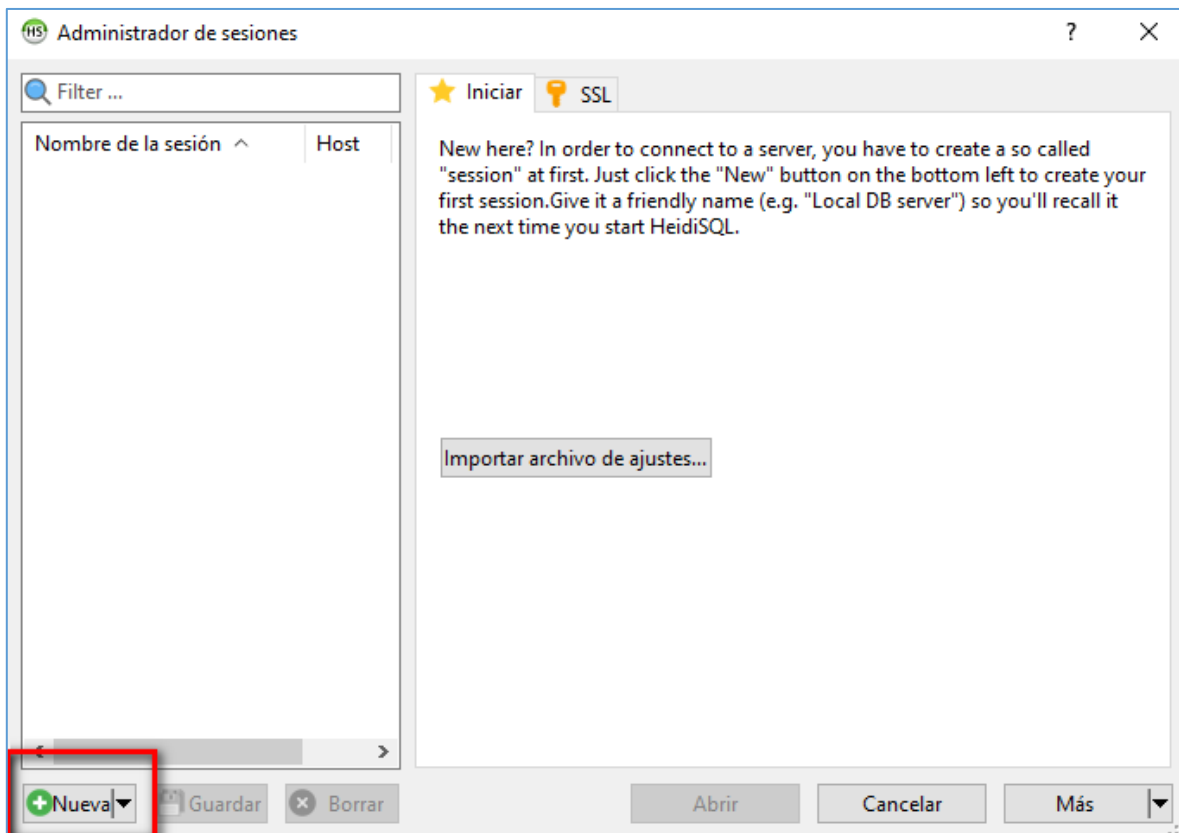

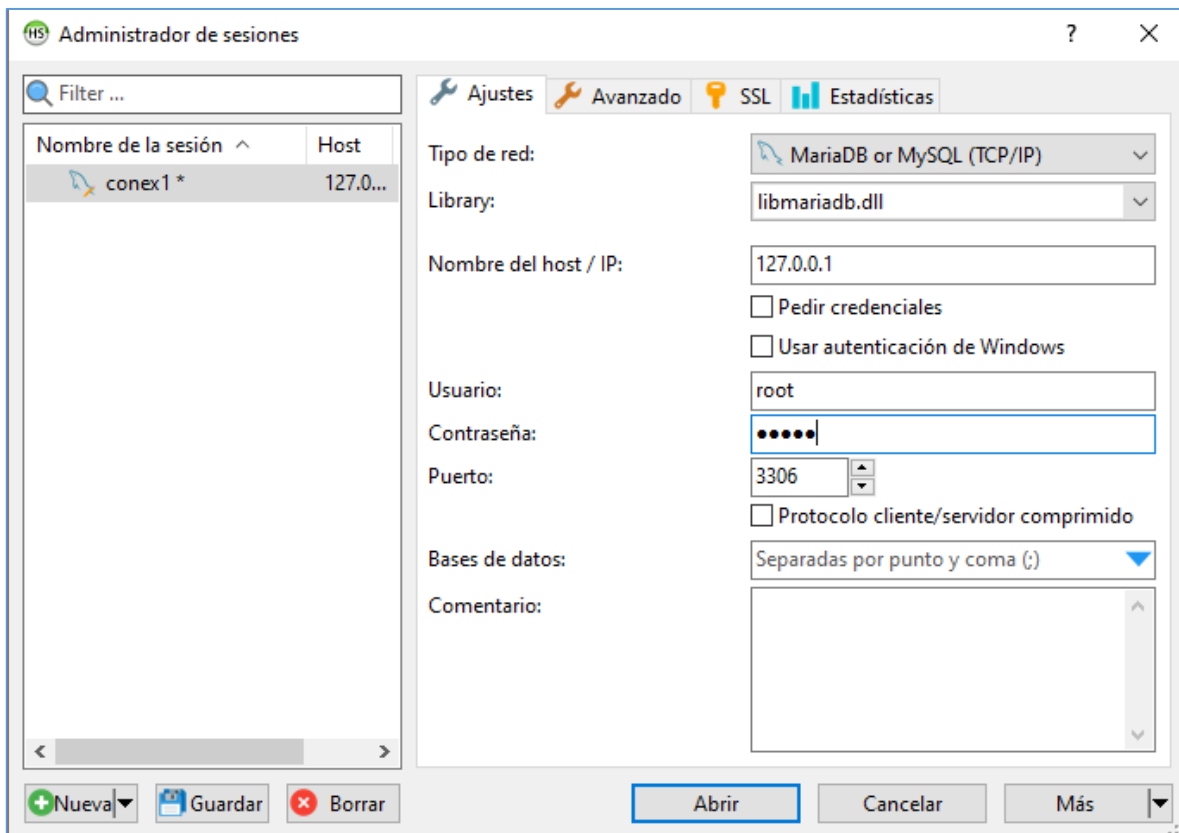

Realizar la conexión a través de HeidiSQL usando los siguientes datos de conexión

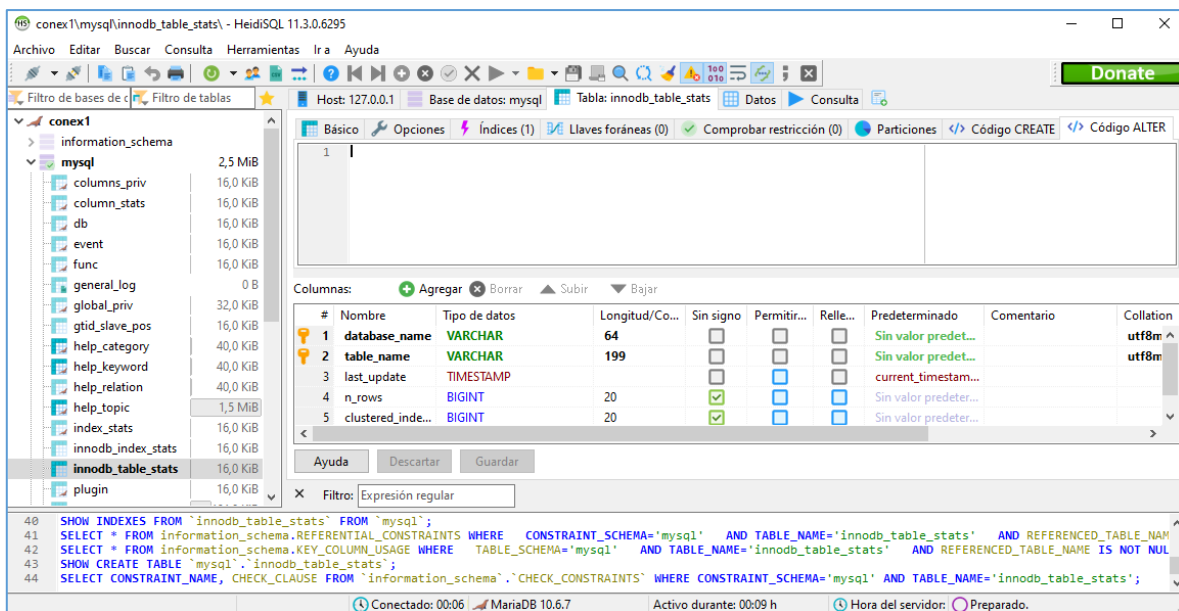

Usuario:root

Password:admin

Revisa las tablas de la base de datos mysql que se muestran en la figura

Si tienes problemas en la instalación es probable que el puerto 3306 este ocupado. Realiza la instalación nuevamente y cambia el puerto a 3307. Es necesario revisar los puertos de la máquina para saber si algún programa ya los utiliza.
